

## Choose to Be Thankful

### Daniel 6

1. Choose to be thankful daily in your life.

Choose to make being thankful a part of what you do each day.

Choose to challenge yourself, to find something to be thankful for each day.

2. Choose to be thankful for His promise to never leave you.

Choose to remember you are not alone.

Choose to give thanks for the Lord's presence in your life each day.

3. Choose to be thankful even when your circumstances seem dire.

Choose to be thankful even when you are surrounded by your enemies.

Choose to be thankful, even when your current circumstances seem dark and without hope.

4. Choose to be thankful because of who He is.

Choose to give thanks because, you believe God to be who He said He is in His word.

Choose to give thanks because you are expecting God to show up.
